

In Haiti, Wilner used to harvest very little, no matter how hard he worked his field. **So, in 2017, Wilner joined an agroforestry program where he received training and learned sustainable agriculture techniques to conserve the soil in his fields and increase crop yields.** His crop yields have now increased, and he has a greater variety of food available for him and his family. Today, Wilner has a beautiful garden with diverse crops, such as corn, pigeon peas, yam, taro, squash, okra, spinach, and forest and fruit trees. This has helped Wilner afford to pay the school fees for his four children and support his family's other needs as well. This sustainable agriculture project is supported by Presbyterian World Service & Development in collaboration with Canadian Foodgrains Bank.

**PCC Daily Prayer** – We pray for farmers in Haiti and give thanks for the sustainable farming projects supported by the church through Presbyterian World Service & Development that help their crops flourish.

**Life-Saving Food Assistance in Afghanistan** - When the Taliban took control of Afghanistan in August, an atmosphere of uncertainty prevailed in the country. Large numbers of people fled to urban centres in hopes of exiting the country, leaving their homes and livelihoods behind. Many are struggling to make ends meet.

With a new government in place, significant concerns are on the horizon. A collapsing economy, soaring prices, widespread impoverishment, rapidly spreading hunger, and restrictions on the banking system impeding access to cash are just a few.

The United Nations Development Program (UNDP) says 97% of Afghanistan's 40-million-person population could fall below the poverty line by mid-2022.

As winter sets in, these numbers will only get worse.

*Welcome!*

*I was glad when they said unto me, "Let us go into the house of the Lord!"*

Psalm 122

Worship will continue to look different for now. There will be no greeting after the service and no coffee-hour. An offering can be made in one of the offering plates upon entering or leaving.

We all miss the social interaction aspect of worship, but the health of worshippers is a high priority. Please wear your mask and maintain a physical distance of two meters between yourself and anyone who is not part of your family group. Only one washroom is open for use. Thank you for showing concern and care for others.

**Pop Can Tabs** – Please continue to save pop can tabs. The current project is a wheelchair for Pierce Wisotzki, a quiet 19 year old young man from Strathroy who has C.P. He attends Holy Cross High School there. Pierce is an only child who enjoys a wide variety of music and has an interest in many instruments. He displays technical talent with his ipad and computer. He also finds much joy being outdoors and on walks, exploring. He needs a larger, stronger wheel chair with features that will ensure his safety. So save your aluminum tabs and help Pierce acquire a new, stronger, wheel chair! Your tabs can be dropped off in the Narthex or at the church office during office hours. Thank you!

**Food Bank Sunday** - Please leave your donations in the basket located in the Narthex. If you would keep in mind our Food Cupboard is in need of coffee, ready serve soups and pastas, peanut butter, cereal bars and canned meats, salmon & tuna (no sardines needed at this time.) Thank you!
