In the aftermath of a devastating earthquake that struck Haiti in August 2021, Presbyterian World Service & Development responded through the ACT Alliance.

The emergency response supported 400 families in rebuilding their homes. This response was modelled after successful rebuilding projects following Hurricane Matthew in 2016. In addition, non-food items, including shelter and hygiene kits, were provided for 1,500 families, nutritious food for 1,300 families and agricultural support and supplies for 500 farmers. Community leaders and local volunteers also learned about community-based humanitarian action when confronting a crisis. This knowledge sharing is meant to ensure that when future disasters happen, communities will know how to implement an effective response.

Ukraine Crisis Appeal - The invasion of Ukraine has created a humanitarian crisis. To help respond quickly to the escalating situation, PWS&D is receiving donations for Ukraine. **Please support and mark your offering envelope "PWS&D Ukraine"**. Pray with us for the situation in Ukraine.

PWS&D General Assembly Report - In 2021, PWS&D contributed \$4.6 million towards life-changing development and relief programs. This was done with a total of \$2.6 million in donations from members of The Presbyterian Church in Canada. PWS&D is grateful for the support of the Government of Canada and membership in the Canadian Foodgrains Bank, which allows the PCC to multiply and expand our impact through matching funds and collaboration with our ecumenical members and their partnerships.

PWS&D's refugee sponsorship work has allowed PWS&D to provide accompaniment to 52 congregations and six presbyteries involved in sponsoring 266 refugees during 2021. The year 2022 marks 75 years of PWS&D
